

## Brother re-inking

(Base)

This part  
lifts off.  
Pull up  
while holding  
base.

### Refill hole.

One on each  
side. Place  
a few drops  
in each. Let  
set a few  
minutes.

*(Recommended  
15 minutes, but  
should start  
printing before  
then)*
